BAR & GRILL

## ROTH BAR & GRILL IS LOOKING FOR CHEFS

Roth Bar & Grill opened in July 2014 at Durslade Farm within Hauser & Wirth Somerset on the outskirts of Bruton.

We now have a position for enthusiastic chefs to join our team - we are looking for someone to share our passion and knowledge of local and seasonal food, coupled with strong experience in high volume and good quality restaurants.

This is a very unique opportunity to be part of something special, the Roth Bar & Grill is not your average restaurant. We butcher whole animals reared on our farm, source our vegetables and herbs from the Kitchen Garden, cure all of our own meats and work with small local suppliers alongside our own farmer and gamekeeper.

We offer a great working environment in our stunning open kitchen. We also love to cook over our fire pits, both at the restaurant and for off-site events - we work hard, but have fun at the same time.

We offer a good salary and great tips and although this isn't a live in position, we can help you find accommodation if you plan to move to the area. We work 7 shifts over 5 days. We are a daytime operation Tuesday to Sunday with the exception of Friday and Saturday night.

Please send a CV/email to Steve at [steve@rothbarandgrill.co.uk](mailto:steve@rothbarandgrill.co.uk) or call us on 07971 875 556 for a chat
